Advertising Ray County Abroad

There is no question but what many arms and bodies of land in this coun ty could be sold and put to producing, argely if the fact of the lands being for sale at low paices could be made known throughout eastern and north-ern states. A descriptive pamphlet of Ray county could be got up and sever al thousand printed for a comparative ly small sum of money. These distri bated judiciously would bring inqu ries for the thousands of acres of ian in Bay that are not producing anythin or not producing as the lands would produce under proper cultivation. small subscription from each busin man in Richmond would carry out this plac. As a real estate agent, we would willing to bear a share of the expense and help write up the county in prope shape. The expense would be to great for one individual, and as no on dozen individuals would be benefited by advertising abroad and bringing is immigrants, public spirited men should club together and carrying out the scheme. It is one worth entertaining, and we shall take occasion to speak of it again hereafter. The time for doing
